Read the Bible with Crosswinds, starting January 1. In 5 chapters a week, one chapter per day, you'll read through and apply the entire New Testament

"I'm getting so much out of my Bible reading using SOAP because it reminds me not just to read, but to apply it and pray about it." - Meg S.

SOAP stands for Scripture, Observation, Application, Pray. It's a great way to delve more deeply into your Bible reading and record your thoughts, emotions and connections when studying Scripture. SOAP is meant to be a journal you create, using the process as you read each day.

Scripture (S): Choose the passage listed in the reading plan for the day your Connect Group meets. Or, choose the reading that most impacted you during the last week.

Observation (O): Group participants read and work through SOAP before meeting, then share what they observed, including specific details, words, or phrases that stood out to them. Use these observation questions to promote proper contextual study of God's Word.

- What do I learn about God?
- What do I learn about others and myself?
- Is there a command to follow, a promise to claim, or a sin to avoid or confess?

Application (A): Discuss how the passage applies to your lives. Consider practical ways to live out the principles or teachings studied. Utilize these application questions to help apply the passage to your life.

- Ask, "God, what should I do as a result of reading this?"
- Also, ask, "How would I tell what I have learned to someone I know?"

Prayer (P): Conclude with a time of prayer. Pray for insights gained, personal applications, or any specific needs that arise.
